FREE BUSINESS EXPENSE TRACKER

For independent contractors, 1099 workers and anyone earning self-employment income

Hey, bestie! Let's get organized before filing season.

Track what you spent, why you spent it, and where your receipts are saved.

1

WRITE IT DOWN

Record the date, vendor, what you purchased, and how much you paid.

2

KEEP IT BUSINESS

Note what portion was for business if the purchase also had personal use.

3

SAVE THE RECEIPT

Keep invoices, bills, confirmations and proof of payment.

4

REVIEW EACH MONTH

Use the editable Excel tracker for automatic monthly and category totals.

COMMON CATEGORIES TO TRACK

Supplies • Advertising • Software • Rent / workspace
Phone / internet • Business travel • Professional fees • Equipment
